A price list vendor may choose to deny participation by a nonprofit. Provided, however, if a nonprofit and price list vendor mutually agree to this arrangement, it is understood that the nonprofit will retain its right to purchase from other than a price list vendor.

**PURCHASING CARD (pCard).** Agencies of the Executive branch, with the exception of the Department of Education, Office of Hawaiian Affairs and the University of Hawaii, shall use the State's purchasing card (pCard) for orders totaling less than \$2500. If vendor requires hardcopy confirmation of a transaction made by pCard, agency may use SPO-10B, pCard Order Form, available on the SPO website: [www.spo.hawaii.gov](http://www.spo.hawaii.gov); click on "Forms for State Agencies" in the Procurement of Goods, Services & Construction – Chapter 103D, HRS menu.

For purchases \$2500 or more, agencies may use the pCard, subject to its credit limit, or issue a purchase order.

**PURCHASE ORDERS** may be issued for purchases \$2500 or more; and for vendors who either do not accept the pCard or who set minimum order requirements before accepting the pCard for payment or who charge its customers a transaction fee for the usage.

**PURCHASE ORDER** shall contain the following information:

1. **SPO Price List No. 06-22**
2. Vendor Code

Vendor is not obliged to accept any order received after the price list expiration date; however, vendor shall fill timely orders for which delivery may extend beyond the expiration date. Agencies shall not issue purchase orders specifying delivery after the price list expiration date.

**VENDOR CODE** for Executive agency annotation on purchase orders is obtainable from the "Alphabetical Vendor Edit Table Report" available at your department's fiscal office. **Agencies are cautioned that the remittance address on an invoice may be different from the address of the vendor code annotated on the purchase order.** Therefore, when processing an invoice for payment be sure the correct vendor code is used.

**UNIT PRICES** include delivery to destination and all other costs **except** the State General Excise Tax, currently 4%. Agencies are advised to add the amount of the tax to their purchase order total.

**DEMURRAGE CHARGES.** The free loan period for supplier-owned cylinders or containers is 30 calendar days after delivery. For each day after the free loan period, the demurrage charge shall be \$.30/cylinder for Airgas Gaspro. State agencies shall not be required to place a deposit with the Contractor when purchasing refrigerant gas (Freon).

Demurrage charges will start the day after the free loan period. Demurrage charges stop the day after the Contractor is notified by the agency to pick up the cylinders, regardless of when the cylinders are actually picked up by the Contractor.

**VOLUME OF GAS** refilled may not amount to the exact cubic feet as ordered. When ordering gases other than liquids and refrigerant gas, agencies are advised to include a plus or minus ( $\pm$ ) symbol next to the quantity ordered. The total cubic feet will be filled, plus or minus ten percent, and the agency will be billed accordingly by the Contractor.

When refilling State-owned cylinders, agencies must request that the whole cylinder be refilled (i.e. If a 150 cubic foot cylinder is being refilled, the agency cannot request that only 100 cubic feet of the cylinder be filled.)

**CYLINDER ID NUMBER.** The ID Number for all State-owned and supplier-owned cylinders shall be listed on the purchase order(s) issued by State agencies. The Contractor shall be responsible for including the cylinder ID Number on the delivery/pick up slip and on the invoice in order to enable better tracking of cylinders.
